

**SMT. C. NAGAMMA KESHAVAMURTHY.**— You have said that the Government of India have entrusted the evaluation work to the National Institute of Nutrition, Hyderabad and the work will be taken up shortly. ಆದರೆ, ಇವ್ಯಾಲುವೇಷನ್ ಕೆಲಸ ಅಲ್ಲಿ ನಡೆದಿಲ್ಲ. ಎರಡು ಕೋಟಿ ರೂಪಾಯಿಗಳನ್ನು ಖರ್ಚು ಮಾಡಿದರೂ ಸಹ ಯಾವ ಬೆನಿಫಿಯರಿಗೂ ಅದರ ಪ್ರಯೋಜನ ಸಿಗುತ್ತಿಲ್ಲ. ಆದುದರಿಂದ, ಸರ್ಕಾರದವರು ಈ ಬಗ್ಗೆ ಪೂರ್ಣ ಗಮನ ಕೊಡಬೇಕೆಂದು ಹೇಳುತ್ತೇನೆ.

12-30 P.M.

**SRI L. G. HAVANUR.**— The programme is initiated by the Central Government. There is a Special Evaluation Centre opened by the Central Government at Hyderabad and so they have undertaken the job of evaluating the work. It is not correct to say that there is misuse of the articles which are intended to be given to the beneficiaries. However, some allegations have been received and measures will be taken to see that the work of distributing milk, bread, etc. is given to the municipalities or some other responsible agencies.

**SMT. C. NAGAMMA KESHAVAMURTHY.**— You have said that it is being implemented through Municipal Corporations. It is an obligatory duty on the part of the officials but they take the least interest in the programme. I suggest that the department itself should have some supervisors—one for every 10,000 beneficiaries and see that this programme is implemented properly and they get milk and bread in time.

**SRI L. G. HAVANUR.**— The suggestion appears to be good and we may think of appointing one supervisor for ten thousand beneficiaries.

### **Minor Irrigation work in Khanapura Taluk**

214. **SRI N. B. SIRDESAI (Khanapur).**— Will the Chief Minister be pleased to state.—

(a) the number of proposals received for Minor Irrigation works in Khanapur taluka during the last five years.

(b) of them the number of works sanctioned.

(c) the number of proposals for minor Irrigation works pending sanction, the reasons for their pendency?

**SRI D. DEVARAJ URS (Chief Minister).**—

(a) 48 (Forty Eight)

(b) 15 (Fifteen)

(c) 33 (Thirty three)

These are under investigation

SRI N. B. SIRDESAI.— May I know whether the Government is aware of the fact that Khanapur taluka is the most neglected taluka as far as minor irrigation works are concerned ?

† SRI D. DEVARAJ URS.— As far as possible, we will take up works in this taluka.

SRI N. B. SIRDESAI.— Is it not a fact that the works are insufficient compared to the extensive cultivable area available in Khanapur taluk.

SRI D. DEVARAJ URS.— There is no gainsaying the fact that we cannot take up all the works at the same time. In a phased way it has to be taken up.

SRI N. B. SIRDESAI.— May I know why the Government is not making funds available to Khanapur taluk whereas it is made available to other talukas ?

SRI D. DEVARAJ URS.— I am sorry the hon. member has not been properly apprised of the things. Last time 15 works have been sanctioned and 9 taken up and 1250 acres are under irrigation. This year, six more works have been included at a cost of nearly 8 lakhs of rupees.

#### **Amount collected from Producers of Foodgrains for taking up road works**

258 SRI PRABHAKAR TELKAR (Chitapur).—Will the Minister of State for Regulated Markets be pleased to state :—

(a) the amount collected from the producers of foodgrains etc., through APMCs of Gulbarga District for the "Roads and Bridges Development Fund". (Particulars of amount collected by each of the APMCs of the District be furnished) ;

(b) the particulars of road works taken in each APMC (jurisdiction, particulars of road works completed, yet to be completed) ?

SRI A. B. JAKANUR (Minister of State for Regulated Markets).—

(a) An amount of Rs. 59,49,185.77 was collected by the APMCs in Gulbarga District from the sellers of notified agricultural commodities by way of market fee during the period from 1975-76 to 1977-78 (upto 31-3-1978).
